Breaking news: HSBC Global Asset Management wins three awards at the Asset Management 2020 Awards

We were delighted to be honoured at the Asset Management 2020 Awards this evening with three awards – Alternatives Manager of the Year, Emerging Markets Manager of the Year and Passive Manager of the Year.

The judges made these comments:

On alternatives “HSBC’s flagship alternatives fund continues to deliver positive returns and is supported by a senior direct fund with strong objectives.”

On emerging markets “This submission demonstrates capabilities across emerging market debt and equity through a comprehensive array of strategies.”

On passive “HSBC’s index tracker fund and ETF fund range demonstrate a strong risk profile behind them which is constantly delivering great returns.”
